## Report of Superintendent of Schools

---

I am pleased to make this annual report on the condition of our schools.

This has been a year of few changes. One new teacher was added to the staff, Mr. Richard N. Hall, a graduate of the three-year course at Farmington State Normal School. All our teachers are continuing the splendid work of the past few years. I want again to repeat that we are fortunate in having such highly principled people in charge of our children, as well as being very well trained. Mrs. Kenney was granted a leave of absence for nine weeks in which to complete her normal school training and to receive her diploma, with Miss Charlotte Mitchell, a Gorham Normal School graduate as her substitute teacher. Besides her work at Gorham, Miss Mitchell has partial credits for a degree at Harrisonburg State Teachers' College in Virginia. I believe that she will be a very competent teacher.

The continued large enrollment at the Washington School makes it necessary to have school in the building owned by the Central Maine Power Company. It would seem to me that with a possibility of a gift of 30% of the cost of an addition to the new building by the Federal Government, that this coming summer would be a good time to make additions to the new school house to accommodate the children now housed in the C. M. P. Co. cottage. The present furnace is large enough to care for the second room and consequently a saving might well be made in fuel. It has been estimated that the addition would cost in the neighborhood of \$3,000. In event of new tax laws, it is possible that the town will lose some of its taxing power over the development at Wyman Dam, so this year would be our last chance of getting the new addition at a minimum cost to the residents of the town. At any event there will have to be extensive repairs on the cottage soon, if we continue using it.

The interior of the Washington School was redecorated during the summer vacation. It is now in good condition as are the two other buildings. Some few minor repairs will have to be made at both the other schools this year.

The attention of parents is called to the fact that there is proposed legislation to change the minimum school age from five to six years. If the legislation is enacted, children must be six years old when they enter school instead of five as at present.

In a careful study of the report of the School Finance Commission, appointed by Gov. Brann, at the order of the Legislature, I am glad to report that our schools compare very well with those of the remainder of the State in practically all respects. With the new playground equipment and work on the school grounds, there has been a great improvement in the physical condition of our school plant.

This year we have seventeen students in Bingham High School and one at Guilford High. For the most part these students are doing satisfactory work.

In the State School Bulletin just published, you might be interested to be told that there is only one other town in Maine that has more assessed valuation per pupil than the Town of Moscow. According to the report, Moscow has an assessed valuation of \$17,841 for each school child, an amount exceeded only by Pleasant Ridge with \$44,203 for each child.

In closing, I wish to extend my appreciation to the teachers and children for their fine work throughout the year and to all town officials and other citizens who have contributed in making this a pleasant and successful school year.

Respectfully submitted,

HOWARD L. BOWEN.

## Auditor's Report

---

Moscow, Maine, February 21, 1935

This is to certify that I have this day examined the books of the Treasurer and Selectmen of the Town of Moscow and find that the orders drawn by the Selectmen and checks given by the Treasurer correspond exactly; that the total amounts of the orders correspond to the total amounts of the checks drawn, and the record of the amounts received by both selectmen and treasurer to be the same.

(Signed)

H. L. BOWEN

## Warrant for Annual Town Meeting

---

STATE OF MAINE

COUNTY OF SOMERSET, ss.

To Roland F. Baker.

In the name of the State of Maine, you are hereby notified and required to notify and warn the inhabitants of the town of Moscow, qualified by law to vote in town affairs, to meet and assemble at the Stream Schoolhouse, so-called, in said town of Moscow, on Monday, the fourth day of March A. D. 1935, at ten o'clock in the forenoon, then and there to act on the following articles, to wit:

Art. 1 To choose a moderator to preside over said meeting.

Art 2 To see if the town will vote to accept the report of the municipal officers as printed.

Art 3 To choose a town clerk for the ensuing year.

Art 4 To choose three selectmen for the ensuing year.

Art 5 To choose three assessors for the ensuing year.

Art 6 To choose three overseers of the poor for the ensuing year.

Art 7 To choose a treasurer for the ensuing year.

Art 8 To choose a tax collector, fix compensation, for the ensuing year, and pass all necessary votes respecting the same.

Art 9 To choose a road commissioner for the ensuing year.

Art 10 To choose a member of the school committee to serve three years.

Art 11 To choose a fire ward, and fix his compensation.

Art 12 To choose a constable, and all other officers required by law to be chosen at this meeting.

Art 13 To see if the town will vote "yes" or "no" on the question of raising and appropriating money necessary to entitle the town to state aid as provided in section 20, chapter 28, of the revised statutes of 1930.

Art 14 To see what sum the town will appropriate and raise for the improvement of the section of state aid road as outlined in the report of the State Highway Commission (in addition to the amount regularly raised for the care of ways, highways and bridges) under the provision of Sec. 19, Chap. 28, Revised Statutes of 1930, or under the provision of Sec. 3, Chap. 175, P. L. of 1933.

Art. 15 To see what sum, if any, the town would recommend to take from the joint state aid account for the purpose of applying bituminous surface treatment to state aid roads built within the past five years in accordance with the provisions of Chapter 271, P. L. 1931.

Art. 16 To see if the town will vote to raise the sum of \$199.00 for the maintenance of improved sections of third class road.

## Preserve This Report

---

A sufficient number of these reports have been printed to furnish every interested citizen with a copy. An effort has been made to get them into the hands of the voters in advance. It should be borne in mind that if copies are left at home there may not be a sufficient number at the hall to go around on town meeting day. This year or any year it is desirable for you to have a copy of the annual report as soon as issued. It is also important for you to preserve it and bring it with you town meeting day morning.
